

MHFA Lite - an introductory mental health awareness course

Statistics show that:

"One in four people will experience a mental health problem in the course of a year".

"...the estimated overall cost (of mental health problems) to UK businesses is now £30.3 billion a year – equivalent to £1206 per employee."

MHFA Lite is a 3 hour introductory mental health awareness course that will help equip you in this area. It will teach you:

- _ What mental health is and about common mental health problems
- _ Supporting others and yourself when in distress

The course is delivered by Approved MHFA Instructors who have completed a seven day programme accredited by the Royal Society for Public Health.
